## Wet-Dry Vacuum Cleaner

The RT-VC 1600 E is a versatile all-round vacuum cleaner with a particularly quiet yet powerful motor. The appliance also has practical features such as a user-friendly, automatic cable store. The blowing function allows inaccessible places to be cleaned with ease. The integral drain screw means no effort is required to empty out the liquids you have vacuumed.

### Features

- Electronic suction power control
- Powerful and silent motor
- Integrated water drain screw on the backside
- Automatic cable rewind
- Integrated tool compartment
- Blower connection with adjustable blow air control
- Extra long suction hose (3 m)
- Metal suction tube included
- High stability with steel ring reinforcement
- Air regulator on the handle
- Wide range of accessories

#### Available as special accessories:
